

are you aware? (if not),
it's time to be.

there is no more time to wait.

- In the U.S., cancer remains responsible for more deaths from one year through adolescence than any other disease; more deaths than asthma, diabetes, cystic fibrosis and AIDS combined.
- Forty-six children, or two classrooms of students, are diagnosed with cancer every school day in the United States.
- Approximately 12,400 are diagnosed with cancer each year
- About one in 300 boys and one in 333 girls will develop cancer before the age of 20.
- The incidence of childhood cancer peaks in the first year of life.
- Leukemias, tumors of the brain and nervous system, the lymphatic system, kidneys, bones and muscles are the most common childhood cancers.

"I'm not sick, I just have cancer."
-Christi Thomas

getinspired.

Founder, Jennifer Lehmann with her inspiration, Christi Thomas

How it started...

Kids Cancer Crusade began in April 2006 in honor of Christi Thomas, a young girl that was battling Neuroblastoma, a childhood cancer. Christi passed away on September 19, 2006 but her legacy lives strong. She had a pure love of life and delighted in bringing smiles to the faces of other children with cancer.

Inspired by Christi, we believe no family should go through a child's cancer diagnosis alone. We strive to live like Christi did, by spreading awareness of pediatric cancers in hopes of one day finding a cure and by offering support to the families affected by it.

**"Every child's smile is beautiful;
the smile of a child with cancer
is inspirational."**

-Jennifer Lehmann & Cheryl Ford

What we do...

Networking

We help our families connect with other families and resources that best meet their needs.

Care Packages

Personalized care packages are mailed throughout various stages of treatment and include each member of the family to encourage and support them.

Volunteer Photography

All of our families are welcome to a session regardless of the child's treatment status. Details vary between photographers but we will work together to find the perfect match for you!

Scholarships

Coming soon for patients and siblings!

take action.

Donate in memory or in honor of a loved one by check or online through our website.

GoodSearch with every internet search. We will earn small donations with every internet search. (www.goodsearch.com)

iGive for all your shopping in all of your favorite stores. We will earn percentages with every purchase. (www.igive.com/KidsCancerCrusade)

Recycle old ink cartridges, cell phones, video games and more by sending them to us and we will forward them on to Cartridges for Kids and receive payment.

Volunteer at our events, create your own fundraiser or simply help us spread the word about what we're doing. Check our website for opportunities or contact us with ideas of your own!

Join us if your child has been diagnosed with cancer. Your family is welcome regardless of treatment status and we'll work together to help your family in the areas you need it most. The application is available on our website.
